***Subject: Approval for Our All Type of L.T. Control Panels, Bus duct, Raising Mains, Raceway, Cable Trays & all type of MS Fabrication.***

*Dear Sir,*

*We would like to introduce as C.P.R.I. approved manufacture of L.T. Control Panels, Bus duct, Raising Mains, Raceway & Cable Trays. We are supplying our product to various Govt. departments like C.P.W.D., Railways, N.D.M.C. and M.E.S. as well as to private co-operative group housing societies and factories directly as well as through contractors at very competitive rates and to their utmost satisfaction. We are serving the other departments likewise we definitely want to serve you also with our quality products. Therefore we request your good self to please enlist our name in the list of your approved suppliers and grant us the approval for our products in your projects.*

*We would like to mention here that our factory is equipped with all the machineries/equipment required that go in to make a quality product. The panel undergoes chemical treatment (7 tanks Process) before application of powder coating; complete gasketing is done on every door to make it dust, weather and vermin proof.*

*We undertake complete turnkey jobs including works of cable laying, erection of L.T. Panels etc. with complete testing and commissioning. We would also like to mention that since we have been doing installation and commissioning of control panels, we give a product which is free from all practical problems that arise due to defective*

*designing and placement of feeders and facilitate future maintenance of the control panel.*

*Hence, we will be thankful if you grant us the approval of our product in your projects, we shall have much pleasure in having your enquiries/ tenders from time to time.*

*Thanking you and assuring you of our best co-operation at all times.*

*Yours truly,*
